

WOODY'S WYNDAS

Step 1: Convert your Woody's Wynda from its folded state to its strap rolling state

Step 2: Insert one end of strap into the slot

Step 3: Wind (rotate) the handle to wind the strap.
You can use your thumb or finger to help guide the strap

Step 4: Once fully rolled simply "wriggle" the handle and pull out then remove from frame

Step 5: Return your Woody's Wynda to its folded state

This item is a WINDER not a WINCH, please treat it with respect
